WELCOME FROM THE A.W.S.A. PRESIDENT

It gives me great pleasure, on behalf of the Australian Women's Soccer Association, to welcome the players, officials and supporters from all the States involved in the 8th National Titles for women's soccer.

Each year the interest and enthusiasm of participants increases and I am sure the keen competition between the States will make the 1981 Titles truly memorable.

Congratulations to the New South Wales Association for the preparation they have put into this year's presentation, and my best wishes to all the teams for an enjoyable carnival.

ELAINE WATSON
President

N.S.W. PRESIDENT'S MESSAGE

With these Championships, the World of women's soccer in Australia has made a full circle.

Who would have thought back in 1974, when four State women's Soccer associations, as well as ourselves, were invited to take part in the first Australian Women's Soccer Championships, that the "baby" would have grown so well and so fast in eight years.

Still, the proof is here to see and we are rightly proud of our achievements.

My organising committee has worked very hard so that the visiting teams feel welcome to this, our "second time around".

There will be new friends made at the eighth Australian Championships together with renewed acquaintances with old and friendly rivals.

My best wishes to all States for a successful Championship, an enjoyable stay in Sydney and a safe return home.

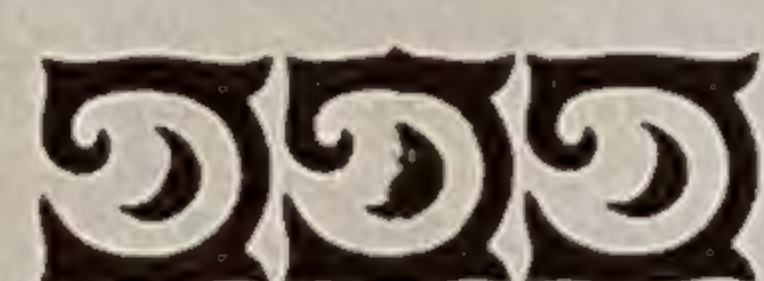

DON BALMAIN
President, N.S.W. Women's Amateur Soccer Federation

THE AUSTRALIAN WOMEN'S SOCCER ASSOCIATION

The A.W.S.A. was formed in 1974 in Sydney when Mrs Pat O'Connor invited all States to come to Sydney to participate in the first National Women's Soccer Championships.

For the first Championships, five states took part. They were Northern N.S.W., New South Wales, Queensland, Western Australia and Victoria.

Three years later, the Northern Territory joined the Association and two years ago South Australia played in their first Championships in Darwin.

The Australian Championships became truly national last year when Tasmania and the Australian Capital Territory were accepted into the Association.

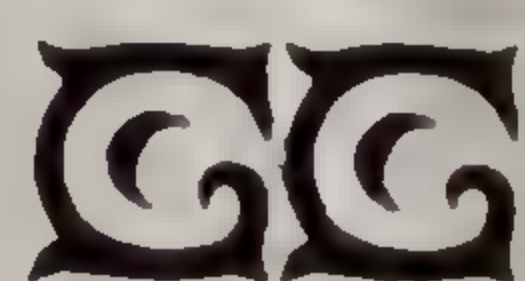

Each year the titles have been contested in a different location. Sydney in 1974; Brisbane in 1975; Melbourne in 1976; Perth in 1977; Newcastle in 1978; Darwin in 1979; Adelaide in 1980 and the Games return to Sydney.

During the seven years that the Championships have been held, New South Wales have held the Champion Trophy five times and Western Australia, twice.
